

UNITED STATES ANIMAL **VACCINOLOGY RESEARCH** COORDINATION NETWORK

USAVRCN Advanced Vaccines Fellowship (AVF) Award Candidate Application form

The USAVRCN seeks to foster working collaboration between laboratories that seek novel approaches to advancing vaccine technologies. The annual AVF Award will be given to a mentee of a USAVRCN member. For details see <http://cag.uconn.edu/pvs/usanimalvaccinenetwork/outreach-avfellowship.php>
Applications can be submitted by email to usavrcn@uconn.edu

Applicant Name (if member, as appears in USAVRCN Member Profile):

Applicant Mentor (as appears in USAVRCN Member Profile. These may include doctoral, post-doctoral, or collaborative fellowship mentors):

Please describe in simple terms 1) your stage of training, 2) the research of your doctoral mentor 3) your current or proposed research conducted in a laboratory technically or thematically different from that of your doctoral mentor. Be sure to specify how your work significantly advances vaccine technology, and ideally how it cross-pollinates technical disciplines.
